

AFGHANISTAN IN NUMBERS

1,300,000,000

U.S. Defense Department spending per month (in USD) for the occupation of Afghanistan.

8,300,000

Amount of contract (in USD) awarded to a Kentucky based group to furnish 68,500 pink (for women) and silver (for men) MP3 players to remote Afghan villages.

500,000

Cost per year (in USD) to U.S. taxpayers for each "foreign adviser" (ex KPMG Peat Marwick and Arthur Andersen consultants, both companies split up and renamed after accounting scandals)

4,500

Tons of opium exported from Afghanistan in 2005.

365

Number of deaths since May 17, 2006, most from air strikes by coalition forces.

200

Distance in yards from gates of the U.S. Military base at Bagram where stolen disk drives with sensitive military data are sold in markets.

20

Number of civilians killed in riots after a U.S. military cargo truck struck 12 vehicles in Kabul.
